

# SOCIAL INVESTMENT AND DONATIONS PROGRAM

Anglo American has a proud history of supporting sustainable development initiatives within our local communities. Supporting positive social initiatives is part of our commitment to the communities in which we operate and directly reflects our values as a responsible corporate citizen.

Each year we support local initiatives from a set social investment and donations budget. To best manage the available funds, we have a process in place to ensure we allocate support to projects that will deliver best value for our communities in a sustainable way.

This includes ensuring only appropriate and eligible initiatives and beneficiaries receive funding, initiatives are monitored and reported on, and projects are reviewed on an ongoing basis to ensure satisfactory performance.

Our target areas for the Program align with our social management commitments in each mine's SEAT (Socio Economic Assessment Toolbox) report which can be found on Anglo American's Australian website. Generally, the areas of priority are:

1. Education and training,
2. Health and welfare,
3. Community development,
4. Environment,
5. Capacity development,
6. Disaster and emergency relief,
7. Employee matched giving and fundraising,
8. Sport, arts, culture and heritage.

**We actively seek opportunities that deliver lasting benefits to the local community.**

ANGLO AMERICAN MINE	TOWN/REGION
Callide	Biloela
Capcoal and Foxleigh	Middlemount
Dawson	Moura and Dawson Valley
Drayton	Upper Hunter Valley
Moranbah North	Moranbah
Peace River	Tumbler Ridge

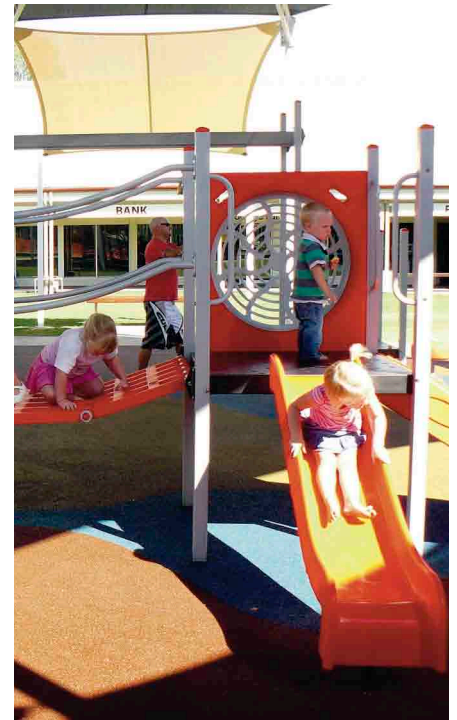

To promote Anglo American's Social Investment and Donations Program, each of our mines place advertisements in local newspapers and community newsletters calling for funding applications at least once per year (by the end of February and if applicable by the end of August).

Applications are assessed against a set of criteria that reflects our priority areas. Preference is given to initiatives that are needed, well planned, cost-

effective and with clear milestones and deadlines. Successful applications are approved by the site General Manager.

We value the partnerships we form with our local communities through our Social Investment and Donations Program and look forward to receiving relevant opportunities to support.

For more information, please contact your local mine site.
