

# Community Grants Update

Each year, Anglo American contributes funding to support sustainable development initiatives in the communities of Moranbah, Middlemount, Moura, Banana and Theodore.

In 2025, we have committed \$124,158 in funding to 11 community organisations through our annual Community Grants Program.

See which Middlemount region organisations were successful in their application for an Anglo American grant, and how they will spend it.

<b>Recipient</b>	<b>Amount</b>	<b>Purpose</b>
